*I'm still living in the same apartment

with New York City.*

## My Work:

Currently working as a business/computer analyst consultant for Verizon. I get to work at home, which is pretty terrific. I can build a spreadsheet and still get my laundry done. But unfortunately, I will probably be unwillingly unemployed again in a few months.

## My Interests & Activities:

### Cooking & Eating

Now, I didn't get to be this size by eating at McDonald's. But French, Italian, Spanish, Japanese, Chinese cuisines, etc., etc., -- I love them all.

Birthday Party for Cousin Russ in Brigantine with the Clopton/Diaz Clan

### Theatre

I have combined my love of theatre and computers by working with a producer on the web site [OffBroadway.com](http://OffBroadway.com) and trying to sell *Golf: the Musical* to the world.

### Book Club

*I've been a member of the same book club since 1993. We meet once a month at each other's houses for eating and drinking and laughing and sometimes we even discuss the book.*

### Tea Parties and Tiaras

*Some members of the Book Club are also members of the birthday Tea Club. And yes, those are tiaras we're wearing.*

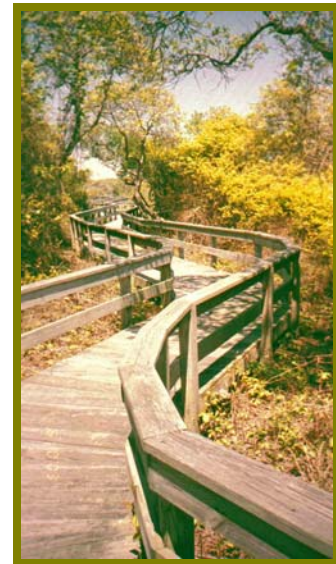

### The Beach

*I love the beach. I go as often as I can to a friend's house on Fire Island or to my cousin Nancy's beach house in Brigantine, NJ.*

### Fire Island

*Great nature paths, as well as great beach.*

### Brigantine

*Cocktails on the upper deck with my East Coast family: Aunt Lorraine, Uncle Dean Clopton and assorted cousins (Atlantic City in the background)*

*I love to travel, too, but don't get nearly enough time and opportunity to do it.*
